

# SPE ICoTA 25th European Well Intervention Conference

## ICoTA 25: Industry Collaboration to Restore, Safeguard & Optimise Production Across Europe

13-14 Nov 2019  
The Event Complex Aberdeen (TECA), AB21 9FX

Organisers

Platinum Partner

### Call for Abstracts - Deadline 22 July 2019

Abstracts are now open for the 25th SPE ICoTA European Well Intervention Conference. We want to hear your solutions, technologies and case histories that address Operator issues and the key themes from the benchmark UK 2018 Oil and Gas Authority Report.

Companies are invited to submit abstracts of no more than 200 words for presentations lasting 20 minutes or for 5 minute 'Techbytes' (shorter sales-oriented pitches) which address the following Operator issues and OGA key themes:

### The Conference

The 25th SPE ICoTA European Well Intervention Conference is the largest and longest established conference of its kind in Europe and is attended by a strong mix of disciplines including intervention, integrity, production, completions and subsurface engineers.

Following on from the success of the original Operator stand last year, we are building a larger pavilion to offer you the chance to collaborate, network and promote new and established techniques in intervention technology to a much wider group of Operators.

*"You will not get a better opportunity to meet a group of like-minded peers, all in the same room, at the same time to discuss your challenges and hear many different solutions and see the different types of technology available to you."*

Conference Chair 2019  
Mark Oatey, ConocoPhillips

#### Operator Issues

- What are the low cost optimisation techniques?
- Intervention of Subsea Wells using LWI
- Demonstrating the value of data gathering & surveillance to identify opportunities to the decision makers
- Improving efficiency for well preparation and pre-rig work for Well Abandonments
- Remedial sand control
- Intervening in hostile corrosive environments – HP/HT/Deep wells/Heavy Oil
- What new technology options are out there?
- Well stimulation methods which uses well intervention techniques, including pumping, chemicals and washes
- Access to platforms. How do you minimize your people and equipment footprints
- Addressing the risk of failure of an intervention or well reinstatement

#### OGA Key Themes

##### Optimisation

- Re add perforations
- Acid simulations
- Water and Gas shut offs
- Gaslift optimisation
- Foam lift installation
- Downhole pump optimisation/refit

##### Safeguarding

- Scale Squeezes
- Regular Washes
- Solvent treatments
- Tubing cleanouts

##### Restoration

- Tree wellhead repairs
- SC, SSV or DHSV, repairs or installation
- Downhole pump replacements
- Fishing Jobs
- Gas lift repairs
- Tubing or completion changeout repairs
- Unloading

# Sponsorship Opportunities

This is a not for profit conference where all surplus funds are reinvested to help support not only today's engineers but also our future generation.

Being involved in the Conference will ensure that you receive an unmatched level of brand recognition for your company in front of an audience of industry peers. It will also ensure that you are recognised as being a key supporter in the development of our young engineers.

Choose to support our conference and make a difference.

## Platinum Partner £5,000 plus VAT

- Main partner branding on all materials via SPE and ICoTA, pre, during and post conference
- Free exhibition stand space (3x2) worth £1620
- 5 free conference passes for x2 days'. Tickets may be transferable

## Event Partner £3,000 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 25% discount on exhibition space
- 3 free conference passes x2 days'. Tickets may be transferable.

## Sponsorship of Lanyards £3,000 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 2 free conference passes x 2 days'

## Sponsorship of Delegate Bags £2,500 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- Branding on the bags handed out to all delegates over the two days
- 2 free conference passes x 2 days'

## Breakfast Sponsorship £1,500 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Sponsorship of Coffee Breaks £2,800 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Sponsorship of Lunch £2,800 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Sponsorship of Networking Reception £2,800 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Car Park Sponsorship £1,500 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Stationary Sponsor £1,500 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Table Top Display Stand opportunity in the exhibition hall £1,200 plus VAT

- Branding on all materials via SPE and ICoTA, pre, during and post conference
- 1 free conference passes x 2 days'

## Exhibition Stand Space

The Conference will be accompanied by a major exhibition of all the latest intervention tools, technologies and services available to the market.

Raise your profile and showcase your capabilities to major operators and service companies. Exhibition space will be located in the high footfall catering area.

**Stand : 3m x 2m  
£1,620**

- Plus 1 free delegate place

**Stand : 6m x 2m  
£2,880**

- Plus 2 free delegate places

**Stand : 9m x 2m  
£4,200**

- Plus 3 free delegate places

**Stand : 12m x 2m  
£5,400**

- Plus 4 free delegate places

**\*\*Early bird rates for exhibition space above are available if you sign up before Monday the 17th of June 2019.**
